Professional Summary

Dedicated and accomplished B.Tech CSE (AIML) student with expertise in AI/ML, Web Development, and Software Engineering. Proficient in Java, JavaScript, PHP, and AI-powered technologies. Experienced in developing AI-driven solutions and full-stack applications. Passionate about solving complex problems and building scalable tech solutions.

Education

Mohan Babu University (Graduating) [2022-Present]

- Bachelor of Technology in Computer Science & Engineering (AIML).
- CGPA: 8.99

Narayana Junior College [2020-2022]

- Class 12th Majorly in Mathematics, Physics & Chemistry.
- Percentage: 92

Skills

Programming Languages: Java, Python.

Web Development: HTML, CSS, Basic SQL, JavaScript, Bootstrap.

AI/ML: Prompt Engineering.

Soft-Skills: Good Communication Skills, Leadership, Problem-solving, Time Management.

Experience

Intern – Data Engineering Virtual Internship, Java fullstack development

- **Hands-on Experience with Data Engineering Tools** – The virtual internship in EduSkills provides practical exposure to data engineering concepts.

Projects

Random Password Generator

- **Generates Secure Passwords** – A random password generator creates strong, unpredictable passwords using a mix of uppercase and lowercase letters, numbers, and special characters to enhance security.

Certifications/Achievements

- AWS Academy Data Engineering – Eduskills Foundation
- Earned a prestigious Expert Badge from Pearson Mepro
- Achieved Associate Cloud Engineering badge from Google Cloud
- Completed the Academic modules of Data Structures with java course with A2I Leap

Interest

- Listening Music
- Cooking
- Travelling
